Dear Guidance Counselor,

The American Society of Safety Engineers (ASSE) Coastal Bend Chapter will be awarding a \$500 scholarship to a college student next spring. The scholarship must be used towards college tuition and books. The student should have a minimum of twelve semester hours remaining towards their degree. Students pursuing a degree in the safety, fire, health, or environmental fields are encouraged to apply.

The scholarship will be awarded based on several factors and an applicant's overall grade point average is not the sole determining factor. A copy of the application is attached for you to distribute to interested students. Feel free to make additional copies.

The student's application, paper, and a copy of their transcript should be mailed by May 28, 2017 to the following address:

Sandra Cervantes
Scholarship Committee Chairperson
Coastal Bend ASSE
P.O. Box 4530
Corpus Christi, Texas 78469

The scholarship recipient will be notified by mail in June 2017 and the award presented in June 2017. If you or any of your students have any questions, please give me a call at 361-542-5069.

Sincerely,

Sandra Cervantes
Scholarship Committee
Coastal Bend Chapter
American Society of Safety Engineers
