

GIS Academy Course Registration

The process to register for GIS classes has changed. The new process is described below. If you have any questions, please contact Beverly Poplin at 698-1114 / bpoplin@delmar.edu.

If you are currently enrolled in a GIS class you will have already taken care of step 1. Please complete steps 2 and 3 as soon after the Spring 2007 online registration opens (November 6) as possible.

1. Apply to Del Mar College **if you are not currently attending**.

Please note that if it has been longer than 1 year since you took classes at DMC, you will need to apply again. The application for admission can be found at www.delmar.edu.

The normal period for processing your application is approximately one month. Please do this step as soon as possible so that other deadlines can be met.

2. Register online during the early registration period (November 6 through December 1 for the Spring 2007 semester) for the class(es) you wish to take.
3. Notify the GIS Grant Manager (bpoplin@delmar.edu) of your enrollment by December 2, 2006..

The list of students who qualify to have tuition paid by the grant must be submitted by January 3, 2007. Please note that Del Mar will close for the Christmas holidays on December 15 and will not reopen until January 2.
